EMERGENCY AND SAFETY INFORMATION

In case of Emergency contact:

Clubhouse: 9422 8222

Golf Shop: 9422 8240

Emergency Services: 000

Members are encouraged to take their mobile phones onto the golf course, switched to silent, for the express purpose of use in medical or other emergencies.

Defibrillator locations:

- 1. Opposite Members' Bar and Grill**
- 2. By the swimming pool**
- 3. On the external wall of the toilet at the 5th Hole**
- 4. Outside the Maintenance Shed**
- 5. Drinks cart**

In the event of an emergency the following First Aid Facilities and equipment are available:

- The Club has a **wheelchair**, located in the Accessible Toilet, in between the dining room and main bar areas (just behind the spike bar), at the base of the stairs to the snooker room/mezzanine level. Also, in this toilet you will find baby changing facilities.
- **First Aid Kits** are located in the Golf Shop, Main Bar, office, Men's and Women's Locker Rooms, Grill and Buggy Room areas. The drinks cart carries the defibrillator when it is out on course (along with a snake bite kit) and the Maintenance Shed also has a fully equipped first aid kit and a defib. Several Members of our course maintenance team are trained in snake catching and carry snake bite kits in the carts when they are on site.

As a reminder, when there is an emergency on the course, Members should dial "000" and advise the Office or Golf Shop that an ambulance has been called, what the situation is and where they are located. The staff will then implement an action plan.

Safety on Course

Please note it is the responsibility of the group teeing off to ensure the group in front is out of range before hitting their tee shots. A buggy or cart left on the top of the fairway on blind shots may indicate a group is still in range.

Workplace, Health Safety Legislations requires employers to maintain a safe working environment. This Club has adopted safe working practices, and the Committee requests all players to note the following procedures to prevent staff injury from golf balls.

- **Greens Maintenance:**
If course staff are working on a greens complex and the pin is not in the hole, players are not to hit to the green until the flag is replaced.
- **Other Situations:**
In all other situations', grounds staff have the right of way and players must receive an acknowledgement from the course staff who are in range before playing a shot and generally take such other reasonable precautions as would be necessary in the circumstances to ensure safety of all persons.

Failure to comply with the above procedures could result in the Club being prosecuted under the Occupational Health, Safety and Welfare Act.

Suspending and/or abandoning play due to inclement or hot weather

Suspending Play -

The siren will sound **once for 10 seconds**. Players must cease play. Seek safe shelter but remain on the Golf Course if safe to do so.

Resumption of Play -

When the all-clear is given to resume play, the siren will sound **once again for 5 seconds**.

Abandoning Play -

If play is to be abandoned, the siren will sound **two short blasts** and players are to leave the course immediately.

The Captain is responsible for making decisions about the suspension or abandonment of play, and in their absence, this authority falls to the Director of Golf and then the Golf Operations Staff. If the Golf Shop is not open, Members are advised to leave the course if they see lightning in the area.

Playing Rights

General - Registration for all competitions is to be done at the Golf Shop or other Mi Score terminals. All players are required to register at the Golf Shop prior to hitting off. This applies to both courses.

Players alone, or groups of more than four players, have no rights. They, and players who break the proper sequence of their round, must stand aside without request and allow any match playing the proper sequence to pass.

Any match losing its place, so that more than one clear hole is ahead of it, should stand aside and allow the match following to pass.

The low marker in a match is responsible for etiquette and the observation of these rules of priority. This player should be aware and call the following match through without demand.

Ordinary Members - Full privileges of the courses except for restrictions applying to Female Members' Competitions and when the Main Course is closed for special events.

Competitors have the exclusive use of the Main Course on Club competition days (Wednesdays, Saturdays and Sundays as per Fixture Book). Competitors must register for the competition before hitting off and the appropriate competition fee is then charged directly to the Member's General Charges account. Physical Scorecards or MiScore Scorecards must be signed by the marker and the player and returned and submitted as soon as the round is completed.

Provisional Ordinary Members - Provisional Ordinary Members are permitted to play in any male competition field, however booking restrictions apply for Wednesday afternoons and Saturdays where Provisional Ordinary Members may book online after midday 12:00pm, five (5) days prior to the competition.

North Course Waitlist Members - A competition open to all male Members will be held on the North Course every Wednesday and Saturday. NC Waitlist Members are eligible to play *competition golf* on the Championship Course up to 12 times per year, upon invitation from the Captain. Outside of competition days, they may play a maximum of 6 *social rounds* per year, subject to the member guest green fee.

Female Members and Provisional Female Members - Full privileges of the courses except for restrictions applying to Ordinary Members' competitions and when the Main Course is closed for special events. The normal days set aside for Female Members are Tuesdays AM, Thursdays, and Sundays (8.00am- 8.30am subject to course availability). Female Members playing in the competition of the day have the *exclusive use of the Main Course*. (Subject to the above, Ordinary Members may play with equal standing on Tuesday's PM and

Thursdays after 2.00 pm (unless otherwise advised in the fixture book or booking sheets).

Transitional Female Members - As for Female and Provisional Female save that they are not eligible to win events listed under '2026 MAJOR GOLF EVENTS'.

Absentee – may play golf to the same extent as prior to becoming an Absentee Member for a period not exceeding four weeks per year (with an absence of at least six consecutive months).

Non-Playing Members - have no priority over other eligible categories of membership for entry into competitions. If spaces eventually allow them to enter, they are eligible to win the day's competition, but not in events listed under '2026 MAJOR GOLF EVENTS'.

Non-playing Members are eligible for six rounds of golf (social or competition, subject to availability and excluding Major Events as above) per membership year (1st September to 31st August) subject to any Provisional or Restricted Playing Rights applicable prior to transferring to Non-Playing. These six games will incur a green fee and will be charged as per the Member guest rate green fee schedule. **All non-playing Member bookings are to be made through the Golf Shop.**

Senior Members/Female Members Senior (Special Category) (Category Grandfathered) - Senior Members within the Special Category are not entitled to play on the Main Course on competition days.

North Course Members – Men - a competition open to all Ordinary Members will be held on the North Course each Wednesday and Saturday. Competitors on the North Course have priority over all other players. A North Course Member who, prior to being approved as a North Course Member, was a Member of a playing category can play the championship course up to 6 times per annum outside of competition days upon payment of the Member guest rate green fee.

North Course Members - Women - North Course Women are entitled to play on the North Course only. A competition open to all Female Members will be held on the North Course every Tuesday and Thursday. A North Course Member who, prior to being approved as a North Course Member, was a Member of a playing category can play the championship course up to 6 times per annum outside of competition days upon payment of the Member guest rate green fee.

Juniors

- i) **Advanced Junior** – may be granted permission to play in Members' competitions at the discretion of the respective Captain. This decision will be based upon recommendations from the Junior Committee and effective for the entire golfing year. In such cases, they will have the same playing rights as Provisional Members.
- ii) For Major Events, entry will be as per the General Competition Conditions approved by the Match Committee or at the discretion of the respective Captain.
- iii) **Intermediate Junior** – Each Sunday morning on the Main Course (North Course optional).
- iv) **North Course Junior** – Each Sunday morning on the North Course.
- v) *Please Note:* Junior Members have no rights to introduce guests to play on either course at any time (this does not apply to Junior Provisional Male/Female Members).

(B) GOLF

Affiliated Clubs with Reciprocal Rights

The current list of clubs that share reciprocity with Lake Karrinyup Country Club can be found within the club website.

Lake Karrinyup Country Club is affiliated with several golf clubs both nationally and internationally, with reciprocal playing or visiting rights for members.

Specifically, golfing and Clubhouse for Playing Members; Clubhouse (bar and dining) for Non-Playing, Social and Absentee Members. Members intending to visit are entitled to reciprocal privileges upon presentation of a Letter of Introduction from the Club (arranged through the Director of Golf).

Members' Guests and Visitors

- A Club By-Law prohibits any Non-Member from playing on the course more than six times per calendar year.
- Visitors playing in a competition **MUST** be a Member of a Golf Club affiliated with the GA, or other National Golf Association and possess a current handicap.

- Upon arrival, the Member's guest(s) must accompany the Member to the Golf Shop from where a staff Member will check that the appropriate dress code is met as well as ask for identification to compare to the name(s) on the timesheet. All guests will be charged to the Member's account (no cash).
- No visitor may be supplied with liquor on the Club premises unless at the invitation of and in the company of a Member.
- Members may bring an Interstate and International guest with a valid handicap on Club Competition Days (except Invitation Days) only when permission is given by the General Manager, Director of Golf or the Club Captain, and then only one guest per Member is allowed. Local Guests residing in Western Australia are not allowed on Club Competition Days (Tuesday, Wednesday, Thursday and Saturday) without prior approval obtained from the Captain (or designee).
- Other than Invitation Days, green fees are payable.
- On any non-competition day, the maximum number of visitors a Member may bring for golf is three (3).

Relatives of Members

In the absence of any fixture event, sons, daughters, and grandchildren (up to the age of 17 years) of a Member may use either course in the company of their parent without payment of a green fee. Other players on the course have priority and must be allowed through without request. A relative may only play a maximum of six rounds per calendar year.

Motorised Carts

Members must not ride on any form of transportation during any competition round unless authorised as an **Approved Person**. Approved Persons are eligible to hire and ride in a motorised cart for all Club competitions and Club-only carts are permitted for use.

An Approved Person is defined as any of the following.

- Approved temporary usage of a motorised cart (for medical conditions up to 6 months) with permission granted by the Director of Golf upon receipt of a letter or medical certificate from a medical practitioner, or
- Approved Permanent usage of a motorised cart which must be granted by the General Committee with the submission of an application supported by a letter from a medical Specialist outlining the Member's medical condition and reason for long term use, or

- Members aged 75 years and over are automatically classified as 'Approved Persons'.

A non-approved person may include their equipment on a motorised cart, however, must walk beside and not travel in the motorised cart at any time during a competition.

Breach of this rule will result in the General Penalty for each hole the breach has occurred; if between holes the penalty would be applied to the hole a player is about to play.

Only LKCC owned motorised carts or externally sourced carts are permitted for use on the Main and North Course.

*This policy does not apply to Members playing a social round on the golf course.

Protests

Any protest in connection with any competition or match shall be made in writing to the Director of Golf immediately upon the completion of such competition or match, and such protest shall be dealt with as early as possible by the Club Captain and/or Match Committee whose decision shall be final.

Shotgun Starts

In shotgun start events, players who are drawn to tee off on holes 4, 7 and 16 are permitted to tee off 15 minutes prior to the scheduled start times on holes 3, 6 and 15 respectively. All other players must start from the tee they have been allocated.

Corporate/Charity Groups

Groups of 100 golfers or more qualifies them the right to facilitate a shotgun start, meaning the course will be closed for the duration of the event. For smaller groups of up to 80 golfers, the Director of Golf reserves the right to decide on the groups playing structure. Members playing in the corporate group must hit off as directed by the Golf Shop. These guidelines are subject to change however, any changes to the above will be notified on the Club website and Corporate and Charity Golf Operational Policy.

(C) PRACTICE, CARE OF THE COURSE & ETIQUETTE

Practice Rounds

Members are reminded that when playing a practice round:

1. Social rounds are available
2. You may play no more than two balls.
3. You must hit from the tee markers positioned on the day.

Care of the Course

Members are encouraged to view the Course Care videos provided on the Club website: GOLF > Course Care & Dress Standard.

Chipping Green - A maximum of ten (10) practice balls may be used on the Practice Chipping Green. Players are required to be considerate of other players practicing at the same time.

Bunkers - Players should enter and leave bunkers at the lowest access point.

With the teeth of the rake pointing down, Players should push sand back towards the base of the bunker as they exit and avoid raking sand back towards bunker edges. This allows as much sand as possible to remain in the base.

After repair, the rake should be placed outside of the bunker in line with the marked blue 'T' outline. The head of the rake should always be pointing in the direction of play.

Divots and Sand Buckets - Divots must be repaired by breaking in the edges with a golf club moving living material towards the centre of the divot, then filled with sand and smoothed over. This will accelerate recovery of the turf.

Pitch Marks - Ball marks on the putting green must be repaired correctly by moving living material towards the centre of the pitch mark to accelerate recovery. Lake Karrinyup Country Club recommend using a single prong pitch repair tool which are complimentary from the Golf Shop.

(D) DRESS CODE

The General Committee requires that a suitable standard of dress be always observed. Fashion evolution makes absolute guidelines impossible, but the unchanging consideration is that the standard of dress on the course or in the Clubhouse should reflect the culture of Lake Karrinyup Country Club.

Dress Code guidelines are displayed within the Lake Karrinyup Country Club website: GOLF > Course Care & Dress Standard > Dress Standard.

Committee and Management reserve the right to set the dress requirements for specific events.

(E) BRIDGE

Convenes every Tuesday afternoon in the main bar.

Bridge commences at 1.30pm year-round, unless otherwise stated.

Bookings are required and open online for all sessions.

Queries to Bridge Convenor: Judy Schrape
(0409 686 576)
